FOR IMMEDIATE RELEASE

ST. LUKE’S HOSPITAL EARNs 2016 WOMEN’S CHOICE AWARD®
St. Luke’s is recognized as one of America’s Best Hospitals for Heart Care, Cancer Care, Obstetrics and Orthopedics and as one of America’s Best Breast Centers.

Chesterfield, Mo., July 18, 2016 – For the second year in a row, St. Luke’s Hospital has earned the Women’s Choice Award as one of America’s Best Hospitals. The 2016 honor recognizes St. Luke’s as one of America’s Best Hospitals for Heart Care, Cancer Care, Obstetrics and Orthopedics and as one of America’s Best Breast Centers.

WomenCertified Inc., an advocate for female consumers, created the national Women’s Choice Award program.

“We are honored that, again, women have chosen St. Luke’s Hospital as one of America’s Best Hospitals,” said Christine M. Candio, RN, FACHE, St. Luke’s Hospital president and chief executive officer. “This award is a testament to the dedication of St. Luke’s entire healthcare team which provides quality, compassionate gender-sensitive care every day.”

According to WomenCertified, the Women’s Choice Award identifies the nation’s best healthcare institutions based on clinical excellence, female patient satisfaction and what women say they want from a hospital experience.

About St. Luke’s Hospital:
St. Luke’s Hospital is an independent, nonprofit healthcare provider committed to improving the quality of life for its patients and the community. In its 150-year history, St. Luke’s has grown from a single hospital location to an advanced network of care. It provides personalized healthcare services in over 60 specialty areas at its 493-bed hospital in Chesterfield, Mo. and offers 25 other locations across the greater St. Louis area, bringing quality healthcare services close to home. St. Luke’s is nationally-recognized for quality care and consistently earns high patient satisfaction scores. In addition, St. Luke’s is the exclusive St. Louis affiliate of the nation’s No. 1 heart hospital, Cleveland Clinic’s Sydell and Arnold Miller Family Heart & Vascular Institute.
